The Owner has retained the services of an environmental consultant, Weston Solutions, Inc., under separate agreement from the Owner/Architect Agreement. This consultant's project documents are included in the Project Manual as a requirement of the Owner for permit and bidding purposes, and are provided only for reference purposes for construction of the project and for convenience of the bidders and contractors. The Architect takes no responsibility whatsoever for the services performed by this environmental consultant, for any breach of contract of this environmental consultant, nor for the content, accuracy, negligence, errors or omissions of this environmental consultant's project documents. Furthermore, the Architect is not in charge of this environmental consultant, and has no responsibility for coordinating the services or project documents of this environmental consultant.
